## Snippets

My Portfolio Website @ [icyeazy.github.io](https://icyeazy.github.io/)

This is my portfolio website which contains a little bit about me, my skills, learning exercises and my contact..

## More about me

### My favourite technology is...

TypeScript because of language features, reference validation, project scalability, collaboration within and between teams, developer experience, and code maintainability.

### I want to work for a company that...

Would give me the privilege to better my Frontend skills.

### In 3–5 years I want to be...

An expert in Frontend Development and also be able to pass knowledge to others who need it.

### Interests

Sports (table tennis and volleyball), surfing the internet.

### I like to work with people who...

Gives other people a chance to have freedom of expression and ideas.

### I'm making a career change because...

I want to solve more problems in the world technologically.

### Right now I'm learning...

More about React, TypeScript, and Redux.

### Languages spoken

Yoruba
